Spotlight shines on ISIS Enterprise

One of Australasia's most successful privately owned Companies Spotlight has implemented the ISIS Enterprise Warehouse Management System. Spotlight is a privately owned and operated Australian family business. Spotlight has over 100 stores throughout Australia, New Zealand, and Asia, employing more than 6,700 team members.

Fully Integrated to the Spotlight SAP ERP ISIS has been implemented successfully at the Laverton Victoria Australia Distribution Centre. ISIS Enterprise is operating in a total RF environment and managing all activities from receipt of goods from International and local suppliers and providing auto replenishment from bulk reserve to pick face with multiple levels of picking including discrete pick, wave and two stage pick and put to store functionality.

Spotlight is Australia's Largest Chain of Fabric, Craft and Home Interiors Superstores. With 100 stores in Australia, New Zealand and Singapore it provides millions of customers with a huge range of fashionable products at the most competitive prices.

Spotlights philosophy of offering the largest possible choice of fashionable and affordable products for sewing, craft and home decorating needs has held strong for 36 years. ISIS Warehouse Management System has been able to ensure that this philosophy will continue into the future.

Microlistics:

Microlistics display world leadership in the design, development and implementation of Warehouse Management Systems and are based in Melbourne Australia.
